

ALUKIN

BY ROSLAGEN - SWEDEN

ALUKIN C 770

The Alukin C 770 has an overall length of 7.7 meters (about 25.3 feet). The boat's cabin has been given more space, better visibility, and a quieter hull, with the possibility of flexibly adjusting seating for up to eight people in the cabin. By building the stern deck in the cabin in modules, you can choose your preferred configuration of seating with stowage spaces.

In the standard version, the boat has two Grammer seats with adjustable cushioning and seats in the aft sofa for six people. As an alternative, Grammer seats can be selected for up to four people, with additional seating for two people in the cab.

As an option, there is, for example, a refrigerator, kitchenette, and bed set for easier overnight stays.

Facts:

L.O.A:	7.7m
B.O.A.:	2.35m
H (freeboard)	0,8m
Weight (without engine)	1648 kg
Rigging length:	XL (25")
Engine size:	250-300 hp
Top speed 250hp:	42 knots
Noise level at 30 knots:	68db
Cargo pump Self-draining	
Labelling:	CE/C
Number of people:	8
